DATE: 12 December 1956

STAT FROM :

SUBJECT:

STAT A number of people in ORR have reviewed all or parts of the JEC
draft. and I presented the combined comments to
David Redding, the author, and Mr. Charles Sheldon of the JEC Staff
in afternoon sessions on Friday, 7 December and Tuesday, 11 December.
STAT We found the draft generally acceptable. Our criticisms were fairly
minor and were easily worked out with Redding and Sheldon.
